Education is our issue and our candidate is SYLVESTER CANN

SYLVESTER CANN IS COMMITTED TO IMPROVING EDUCATION IN WASHINGTON

Sylvester Cann is a UW graduate and education policy analyst who went through public schools and knows first-hand what's wrong. Sylvester is dedicated to working together to fix these problems because quality schools are the key to Washington's future.

SYLVESTER CANN WILL WORK TIRELESSLY IN OLYMPIA TO:

- Ensure all students have access to quality education
- Boost graduation rates for Washington students
- Set high standards for graduation
- Prepare students to compete in the 21st century economy
- Demand students are competent in science, technology, engineering and math

"Sylvester Cann understands cooperation and fresh ideas are going to solve our state's education problems and he won't get bogged down with Olympia's partisan fighting."

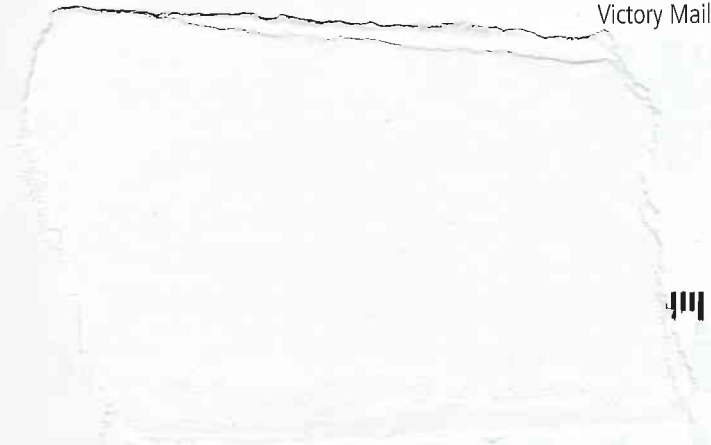

- KIM WILSON, President
Public School Employees of WA
